

## Phone Script – Finally A Choice

Hello. My name is \_\_\_\_\_ and I am a fellow Republican calling with great news for you.

After 18 years we finally have a choice for State Representative.

I am calling on behalf of my friend Jonathan Jenkins who is a Marine and Iraq War Veteran as well as past chairman of the Chester County Young Republicans. He has served our country his entire adult life and now wishes to help us Harrisburg.

Jonathan's primary goals are property tax elimination and pushing back against federal intrusion.

Jonathan will be an active legislator whose commitment is for you. In fact he already pledged not to take the pension or ever vote himself a pay raise.

Can Jonathan count on your vote on May 18<sup>th</sup> or would you like to first talk with him?

For more information about Jonathan Jenkins please go to [www.Vote4Jenkins.com](http://www.Vote4Jenkins.com) or call him at 877.477.4999.

Thank you.
